

## INTERNAL AUDITOR

### DUTIES

- Working in the General Inspection Department and reporting to the Chief Auditor, the internal auditor works on audits across the company's entire scope, both in France and abroad. He/she takes part in audit preparations, interviews, the completion and use of tests and the drafting of summaries and reports. He/she also presents the audit findings orally to the audited parties and to their management superiors.
- He/she provides continuous risk monitoring in the various sectors. For that reason, he/she works with the internal controllers.
