## **Yves Maillot appointed Head of Natixis Asset Management's European equities investment division**

Yves Maillot has been appointed Head of Natixis Asset Management's European equities investment division, reporting to Emmanuel Bourdeix, co-Chief Investment Officer (structured product and volatility management, european equities management, global emerging management and investment and client solution).

Yves Maillot started his career in 1986 at Crédit Commercial de France as fund manager, equity and balanced portfolios, derivative products. In 1992, he moved to Barclays France as fund manager for institutional dedicated funds and corporate savings schemes. Yves Maillot then spent 14 years with the Robeco Group in France as Head of Asset Allocation and Equity Investment and Head of Fund Management.

Yves Maillot, 50 years old, holds a master's degree in economics from Université Paris I – Panthéon Sorbonne and a Master's in Finance from Institut d'Administration des Entreprises (IAE) Paris. He is also a graduate of SFAF, the French Society of Financial Analysts.
