Pierre Foucry appointed Managing Director, in charge of M&A Financial Institutions

In line with the development of its strategic client advisory business, Natixis has appointed Pierre Foucry at Wholesale Banking. He will be in charge of Natixis' M&A Financial Institutions department. He will report to Vincent Berry, Head of the M&A business.

Pierre Foucry began his career in 1998 at Arthur Andersen in London. He then held the position of Vice-President, M&A Financial Institutions at Citigroup Global Markets (1999-2004) and then Executive Director at Mediobanca (2004-2012).

Pierre Foucry, 40, is a graduate of Institut d'études politiques de Paris.
