## Natixis confirms its leadership on credit research in Europe

**Euromoney's annual Fixed Income Research Survey for 2013, which polled 2,100 global fund managers and investors, ranked the Natixis Credit Research teams No.1 for Covered bonds, Supranationals & Agencies and for ABS, rewarding Natixis for the quality and relevance of its analyses.**

Natixis ranks among the top 10 across the following sectors:

**No.1 for Covered bonds, Supranationals & Agencies, and ABS**

**No.2** for Telecoms & Media and Consumer & Retail

**No.3** for Automotive

**No.4** for Utilities and Industrials

**No.7** for Banks, Insurance and High Yield

**No.8** for Strategy

Harnessing its preferred-partner status in the bond markets, the Natixis Credit Research team furnishes comprehensive and independent analyses covering over 150 issuers in the eurozone bond market, as well as in the covered-bond and ABS markets. Analysts and strategists pinpoint the best investment opportunities and assist Natixis clients in enhancing their understanding of the credit market by delivering an all-inclusive range of publications and recommendations on ideal credit portfolio weighting for the various markets and sectors.

During 2012, the Natixis Credit Research team published 103 in-depth reports on specific and theme-based market topics and furnished 107 trade ideas to clients.
