## **Natixis' rewarded again for its multi-asset expertise and innovation capabilities in Asia Pacific**

Natixis has secured a series of awards recognizing its cross-asset expertise and the cutting-edge structured investment solutions it develops for its clients in Asia Pacific. After being named "the Most Innovative Investment Bank for Equity Derivatives" by [The Banker](#) on September 7, Natixis has been rewarded by AsiaRisk and MTN-i.

Natixis has won the "Structured Products House of the Year" and "Deal of the Year" awards by [AsiaRisk](#), a respected financial publication. The two awards recognize the pioneering role Natixis has played in shaping the future of the structured products market in Asia through the roll-out of products at the forefront of innovation.

Natixis has also received two awards from MTN-i, a top-tier trade publication covering the debt markets. The two awards, the "MTN-i Award for Investor Solutions" and the "MTN-i Award for the Deal of the Year", recognize the Natixis' expertise in equity-linked debt and CLO instruments.

On September 7, Natixis has also been named by The Banker "[the Most Innovative Investment Bank for Equity Derivatives](#)", for the second year in a row.

"Natixis is proud to have received these prestigious awards. They reflect the strength of our multi-asset teams on the ground and are a testament to our ability to innovate and to create value-added solutions tailored to better serve our clients in the ever-changing market environment" said Alain Gallois, Chief Executive Officer, Corporate & Investment Banking, Asia Pacific.
