Natixis appoints Jean-François Robin Head of Global Markets Research

Jean-François Robin has been appointed Head of Global Markets Research (macro economic, credit and multi-asset strategies). He will be reporting to Luc François, Head of Global Markets. He replaces Denis Prouteau who has been appointed as Real Asset Private Debt Chief Investment Officer of Ostrum Asset Management.

Natixis' Global Markets Research is an integral part of Natixis' approach towards its clients. The teams publish daily analyses for clients and participate in the process of creating financial solutions tailored to their expectations. Global Markets Research offers Natixis clients regular meetings on current topics as well as a complete range of publications accessible on the website: <http://research.natixis.com>

Jean-François Robin began his career in 1996 in the Bank of France as Deputy director. In 2001, he joined Natixis as Fixed income trader. In 2007, he joined Global Markets Research in charge of Strategy.

Jean-François Robin, 46, is a graduate of Sciences Po and holds a Master II in Applied Economics and one in Market Finance.

About Natixis

Natixis is the international corporate and investment banking, asset management, insurance and financial services arm of Groupe BPCE, the 2nd-largest banking group in France with 31 million clients spread over two retail banking networks, Banque Populaire and Caisse d'Epargne.

With more than 21,000 employees, Natixis has a number of areas of expertise that are organized into four main business lines: Asset & Wealth Management, Corporate & Investment Banking, Insurance and Specialized Financial Services.

A global player, Natixis has its own client base of companies, financial institutions and institutional investors as well as the client base of individuals, professionals and small and medium-size businesses of Groupe BPCE's banking networks.

Listed on the Paris stock exchange, it has a solid financial base with a CET1 capital under Basel 3(1) of €11.7 billion, a Basel 3 CET1 Ratio (1) of 10.7 % and quality long-term ratings (Standard & Poor's: A / Moody's: A2 / Fitch Ratings: A).

(1)Based on CRR-CRD4 rules as reported on June 26, 2013, including the Danish compromise - without phase-in .

Figures as at March 31, 2018
